

The Obama Higher Education Agenda: A cautionary tale

Bryan Cook

**Director, Center for Policy Analysis
American Council on Education**

Obama's Agenda

- Higher Education major priority
- Bold outside the box thinking

Concerns and Observations

- National conversation on Goal 2020
- Increasing role of the states

Presidents 2020 Goal

- Not just an education issue
- More than just a number

Role of the state

- Supplement v. Supplant
- Collaborative or Dictatorial Process
- Administration of funds
- Privates
